SIR,

Referring to G.O.No.2159-60 Muz.346-27-2 dated 26-5-28 I am enclosing herewith an extract from the Proceedings of the meeting of the members of the Governing Body of the Sabha held on 23-7-28 and I request you will be so good as to obtain the sanction of Government for the monthly grant of Rs.75/- therein suggested.

As for the receipts and expenditure of the Sabha during the last one year i.e., from 1st March 1927 to the end of February 1928 I would refer you to page 7 appendix I of the last Annual Report of which I enclose a copy herewith. The average expenditure per month comes up to Rs.171/- and the third of it which the Government can grant under para 4 (1) of the G.O. comes up to Rs.57/- as calculated on the data of last year's expenditure but in consideration of the fact that the average expenditure in the current year will be greater than the last year's as we have to make provision for any additional members (asakthas) that may come in and for supply of clothing &c., a round sum of Rs.75/- is proposed as the monthly grant for the current year in the proceedings of the meeting under reference.

The previous sanction conveyed in Government Order No.31-3 Muz.151-26-5 dated 7-7-1927 having lapsed at the end of June last and as the institution cannot get on without the Government

Government Grant I request you will be pleased to obtain urgent orders of Government with effect from 1st July 1928.

Praying for very early orders,

I remain, Sir,
Yours faithfully,

Honourary Secretary,

## ANNIVERSARY PROCEEDINGS, 1927-28

### Asakta Poshaka Sabha, Bangalore City

The 4th Anniversary of the Asakta Poshaka Sabha (Home for the destitute and the infirm), Bangalore City was celebrated on Sunday the 18th March 1928 at 6 P M. in the premises of the Sabha, III Road, Chamarajapet, under the presidency of Khan Bahadur Mahommad Abbas Khan. Amongst those that graced the occasion were Messrs. K. Sankaranarayana Rao, B Puttayya, M. Chengaiah Chetty, Nettakallappa, N. Venkatarama Iyengar, R. Gopolaswamy Iyer, B. Navakotichetty, M. Basappa, M. K. Pillay, M. L. Shamagowda, S. Kabbur, Drs. Royan and Nanjappa, Mrs. Ratnamma Izacc, Mrs. Nanjappa, Srimati Indirammal and several other ladies and gentlemen.

After invocation and music by Mr. H. P. Krishna Rao, B A., on Veena the report was read by the Secretary Mr. O. Seethapathi Rao. Besides giving periodical feedings to the disabled beggars of the City, the institution maintained a home affording shelter, food and clothing to 24 persons all destitute and infirm. It was the ambition of the governing body if adequate support was forthcoming from the Municipality, the Government and the public to extend he activities and usefulness of the institution by making it into an rphanage and taking in larger number of disabled destitutes vith a view to ultimately solving the beggar problem in the City. Speeches were then delivered extolling the objects of he Sabha and the work it was doing to relieve distress among the beggar population of the City. Mr S. R. Narasimhayya, B. A., said, that all religions exhorted the followers to be charitable to the poor and no man could really be happy while the poor and the downtrodden were starving. Dr. Royan in an eloquent speech appealed to the public to realise that service to the poor is the true service to God and do its duty to their less fortunate brethren by supporting the institution. Pandit Venkatarama Sastry reminded the audience that in Bhagavadgita the Lord enjoins

Arjuna to support the poor and that "Ekadasi Vratam" has been instituted so that even the humblest might be able to give the food saved by fasting as an offering to the poor. Srimati Indirammal stated that the work of the Institution actuated as it was by unselfish love and kindness was most appealing to women and that they would not lag behind men in contributing to its support.

The President rising amidst cheers said that the objects of the Institution were very dear to his heart. Though it was doing excellent work still there was much to be done before its benefits could reach the whole disabled beggar population of the City. The grants from the Municipality and the Government were not adequate for the purposes of the Institution but more propaganda work would enlist greater sympathy and help from the public, especially the merchants who are spending large sums on annual feedings of the poor. His active sympathy and help may be counted upon in all matters concerning the institution. As the President of the Municipality he had no doubt that the Municipal Councillors would not hesitate to grant a site required for the Institution.

Mr. Sankaranarayana Rao, the President of the Institution in explaining the objects of the Institution and the working thereof appealed to the public for help and offered hearty thanks of the Managing body and the inmates of the Sabha to the respected Chairman of the day, the audience and those who have liberally supported the institution by generous donations and monthly subscriptions etc. He also announced that Mr Nettakallappa Contractor and Merchant has promised to become a life member by payment of Rs. 100/- and that Messrs Kabbor and Habbib Mahamud Moosa of of Old Tharagupet have each paid Rs. 10/- for Special Feedings.

The proceedings were commenced with nagaswaram and brought to a close at 8, P. M. with the distribution of bocquets and chanting mangalam.

## REPORT FOR THE YEAR 1927 28

CHAIRMAN, LADIES & GENTLEMEN,

The Asaktha Poshaka Sabha has passed 4 years of existence and has just got into the 5th year which spiritually viewed is a very auspicious year in age. It is in the 5th year that children are put to school. It is at this time that children begin to descriminate, decipher and to retain what is imparted to them. I hope and pray that this auspicious 5th year of its age will mark a remarkable stage in the growth of the Sabha by acquiring a spacious abode and by establishing itself as a useful and permanent institution of public

utility. With this short preface I shall proceed to relate the progress made during the last year (1st March 27 to 29 February 28.)

2. During this year Mr. Hanumantaiya Gaude resigned his membership in the governing body for want of leisure to attend to this work while Mr. Mahamed Khan Sahib, another member, a Government servant was transfered from the station and consequently ceased to be a member. Three new members were added *viz.*

Messrs 1. B. Navakoti Chetti, of the Ananta Krishna Flour Mills, New Tharagupet.

2. Adam Sheriff Sahib, of the Apex Bank, Bangalore City.

3. K. Venkateshiah, B. A., Chemist, Sandal Oil Factory.

The other members will continue as such till the annual meeting of March 1929 according to rule 5 of the Rules & Regulations. During this year 10 business meetings were held and two of them had to be adjourned for want of quorum.

3. A statement shewing receipts, expenditure and balance in hand, for the period covered by this report and other particulars is appended for information. The Sabha feels highly thankful to the Government of H. H. The Maharaja of Mysore and to the local Municipality for the monthly grants of Rs. 30 and and Rs. 25 respectively. We feel also very thankful to the Civic and Social Progress Association for the liberal monthly grant of Rs. 50 for 9 months just at the initial stage till 19th June last. The Association has not continued the grant since. An appeal has however been made again with a view to continue the grant. The public are aware of the fact that the Sabha had been giving only periodical feedings twice or thrice a month in the premises of Theosophical Lodge, Bangalore City, from 1923 (August) till 19th September 1926 when the Home was opened in these premises under the kind Presidency of our premier citizen Sir K. P. Puttanna Chetti. It has been making fair progress since then. Besides the Government and Municipal grants of Rs. 55 per month we have been able to collect about Rs. 50 per month on the average as public subscriptions. Conspicuous mention has to be made of Messrs Devarao Shivaram, and Messrs Lakshmarasiah of Shampur & Co, who have been regularly paying monthly subscriptions of Rs. 10 & Rs. 5 respectively. One Mr. Kandasami Pillai, Mirasidar of Mayavaram, has also since agreed to pay Rs. 5 a month from 1st March and he has made one payment. There are half a dozen members paying 2 Rs. per month and others pay less. Casual payments by visitors and others are taken as donations, Mr. S.R. Narasimhayya, B.A., of the Secretariat has been doing yeomen service to the Sabha by collect-

ing small subscriptions from several clerks etc. every month on behalf of the Sabha and our hearty thanks are due to him. Again general and special feedings are occasionally given by several philanthropic gentlemen and ladies, under the auspices of the Sabha. At the general feedings besides the inmates of the Home outsiders who are also disabled beggars are fed while the special feedings feed the inmates of the Home only The former costs between 15 and 25 Rs. according to the nature of the meals and number of men fed, while the latter costs 5 or 6 Rs on the average for the ordinary menu A list of such general and special feedings during the year is appended for information

4 During this year two gentlemen Messrs B. Navakoti Chetti, and Ragavendriah Chetti, have become life members and one Mr. Rangiah Naidu, Baker and Confectioner has also become a life member by promising to pay 100 Rs in monthly instalments of Rs 5. He has already paid 2 instalments. We have Rs. 1400 in fixed deposits 500 in the Central Co operative Bank and the balance in the City Co operative Bank and they yield an interest of Rs 9 per month on the average. In the amount contributed for general and special feedings we try and save small sums not more than 10 % and such small savings go towards the Reserve fund Some co operative banks and Societies at Bangalore have granted us generous donations during their annual meetings and a detailed list is appended After all the average income hardly covers the current expenses as it is, and necessary improvements have to be put off.

5 The Bombay Government has been facing the Beggar Problem very liberally by appointing a Special Committee to investigate into the matter. The Madras Municipality has recently opened a poor house at an annual recurring cost of Rs 10,000 at present with prospects of increasing it to Rs 30,000, the Madras Government having provided a suitable building for the purpose. The following extract from the *Hindu* dated 17th February last will shew what the small State of Pudukottah has been able to do for the poor "During his stay C W E Cotton Esq , C I.E , I C S. will open the Poor Men's Home which has been constructed near the proposed Railway Station at a cost of about a lakh of rupees made up of public donations. It is understood that the State Government will give a recurring grant of Rs. 5000 towards its maintenance or even more if necessary " Why so far, at Mysore, the Government has provided a big building for the poor house opposite to the late Sir Kantha Raj Urs's Bungalow and the Municipality is maintaining it at a cost of Rs 200 per mensem while His Highness the Maharaja is also, I am told, pleased to contribute a liberal amount towards its maintenance. Considering these circumstances we fully hope that the Bangalore City Municipality which is the premier Mu-

municipality of the Mysore Province and which is manned by so great and generous a citizen who is now our chairman will also rise to the occasion and increase the grant to at least Rs. 100 for the present if not more. I have also to add that the Cantonment Municipality contributes Rs. 100 a month towards the maintenance of Anadasraya "Christu Seva Samaj" at the place, which also possesses a grand building of its own. Our appeal to the Municipality for the grant of a site for raising required buildings has been pending for more than a year and we hope and pray that our noble President will strive his best to secure a suitable site for us at a very early date. Some philanthropic gentlemen in the City have expressed their willingness to give us gifts of small buildings if we should be able to secure the site.

6. The institution stands highly in need of wider support from he public and we are quite hopeful that such help will be pouring n provided we continue to work honestly and with perseverance. The late lamented Mah. Zahrudin Meccai Sahib has elaborately dealt with the question when he presided at the Second Anniversary of the Sabha in March 1926 and I venture to read two small paras from his address.

10 The proposal of the organisers of the Asaktha Poshaka Sabha to found a home wherein the blind, the maimed and other disabled beggars would be fed and clothed and also made to do such work as their physical defects would permit them to do, was deserving of high commendation as a most practical proposition."

13. They should remember that though there was an alarmingly large number of able bodied beggars, going about in the streets, yet here were a goodly number of men and women who either due o old age or other infirmities were absolutely unable to work, nd who along with former, also kept dragging their weary existnce from door to door and kept waiting there sometimes in the hottest part of the day, to get a pie if not a rebuff."

"Such a state of things to Mr. Meccai's mind was a standing disgrace and a shame to the high humanitarian ideals. It was important to remember that these unfortunates were *there* and we are *here* perhaps by mere chance, and it was quite probable we might have exchanged places with them. Even from the point of view of the Doctrine of Karma, the chances were not very assuring. Granting that the present condition of these people was of their own making, who could say with certainty that the acts and doings of those who are more fortunately situated in this life, were all calculated to lead to a similar higher life in the future, and might not, in effect, lead to the exchange referred to above."

If some philanthropic well to do gentlemen should take into their heart to offer a good feeding each to the helpless disabled beggars of the City on some occasion or other such as marriage, birthday etc at a cost of Rs. 25 or Rs 30 per annum we are sure to secure about 360 such donors and the burden of the cost of feeding will be easily removed once for all. You will be glad to note that we have already secured some such cases of perodical feedings. In honor of his son's birthday Mr. A Visvanath B. E. Assistant Engineer Mysore Railways has been giving an annual feeding at a cost of Rs. 25 during the last 3 years on 21st March each year. He has already sent us 25 Rs for 21st March (next week). Vysia Shroff Merchants of the City have promised to give a general feeding every new moonday at a cost of about Rs 20 and they gave the first feeding of the kind on the last new moonday. Mrs Haidri Bhattacharji of North Finchley, London, has been giving a feeding on 12th January every year during the lost 2 years in memory of her beloved father (late) at a cost of Rs. 14 and her reply to a recent communication from the Sabha reads as follows (It will give me great pleasure to contribute Rs 14 every year for this purpose. I am enclosing a cheque of Rs. 14 for 1929 I am very grateful to you for your interest. and think it wonderful that so many people can be fed for this sum."

I bring this report to a close by conveying the hearty thanks of the Sabha to all donors, subscribers and to the City Municipality and to H. H's Government for the liberal contributions they have made to the Sabha The Almighty God when He incarnated as Jesus Chirst was pleased to say to the sheep on the right hand " Verily I say into you in as much as you have done it unto one of the last of these my brethern you have done it unto me " May He be verily pleased to bless this institution with gradual and substantial growth and may He inspire more men and women to realize the truth of the above teaching and come forward voluntarily towards helping this poor but useful institution is my deep and hearty prayer. May God bless you all

O. SEETHAPATHY RAO,
*Honorary Secretary.*
